

uAdministrate™

uAdministrate™ is Decisioning Solutions' client log-in center that also acts as a hub for all Decisioning Solutions' products and services. It enables Decisioning Solutions' clients to assign users to all solutions and analytics, as well as set up user roles with secure IDs and passwords.

All Decisioning Solutions products/services that a client has subscribed to are accessed through this log-in center. uAdministrate™ provides a one-stop, convenient, and secure place for all clients to access and define user roles for all subscribed solutions and analytics products and services.
